(Updated from the Traveler) We are planning on starting the Alaska Caravan at Great Falls Montana about the 20th of June, and ending in Washington State 22 August. It will be about a 63 day trip, care will be taken to spend as much time in Alaska (31 days) as possible, but remembering there is a lot of road through Canada, which is also very scenic. The caravan will travel up the East side of the Rockie Mountains through Jasper, Alberta Canada. Stopping by the Ice Fields along the way. Travel the Alaska Highway starting at Dawson Creek, BC. Visit Skagway and the Kenai Peninsula, Denali National Park, Fairbanks and North Pole Alaska. Traveling to the Top of the World Highway to Dawson City, Yukon and also Stewart/Hyder. Plans are being made to have a number of meals (11) at local eating establishments and also some group pot luck dinners. Cruises to some of the local Glacier's, shows and tours of local city areas to local sites. A good time is being planned for everyone to really enjoy themselves, and really get to see Alaska. Travel days are planned to be short in mileage, most are under 200 miles so you can stop and enjoy the sights along the way. This includes a mile post for every unit, jacket for each member (Jacket manufacturer needs 60 days to complete order, therefore, any applications received after 5 APR 10 will not be assured of receiving a jacket) and an Alaska discount coupon book for each unit to save costs. (This book was recommended by 2009 Wagonmaster). There will be 33 camp ground stops with activities about every 2-3 days with leisure days and down time. The current tentative is \$4,925. All estimates are projected high so as not to come up short.

SEND \$160 DEPOSIT WITH APPLICATION. Payment Schedule, IF AVAILABLE, will be included with your Acknowledgement Letter.
