

WHITE SANDS MUSTER AT TOPSAIL

Dear Friends, Just a quick note to tell you we had a wonderful weekend at Topsail and have booked the Clubhouse and about six of us have already put in our reservations for the weekend of 4, 5, 6, and depart on the 7th of February 2010. If you can plan that far ahead, please go to www.reserveamerica.com and register.

I am in site 110, Boltons are in 112, Harris in 152, Scheets in 70, Colemans in 27. You can pull up a site map when you're making your reservations. They all are not that far apart. Our regular newsletter will come out next week after I get additional information on the muster for December.

love to all, Elaine
