

Alabama SMART's Chapter:

Chartered in 2000, we have grown to over 40 members. We have 3-4 day musters or camp outs each quarter during the middle of the week rotated throughout Alabama and North Florida. Most of our members arrive early and leave late. We eat, laugh, tell lies, play a lot of games and cards, and at times even dance. We often shop and tour the area and businesses around the campgrounds. Everyone stay busy and enjoys every minute we have to spend together. We welcome new members and invite you to join in on our fun and fellowship.
