

### SMART KOFA Chapter:

The S\*M\*A\*R\*T KOFA'S is the youngest chapter in AZ. Now before you ask "Why KOFA and what is a KOFA" we chose the name because there was already the AZ Tumbleweeds and Roadrunners and we didn't want to be called another moving thing like the Desert Rats or steal the name from Yuma High School - "Criminals" so we picked KOFA - Kings of Arizona - an old Gold Mine (1889-1899). That's enough history. Our chapter has a membership of 18 members. We hold musters normally October thru April, with the exception of Christmas when we have our Christmas Luncheon, and social functions in locals restaurants May thru September when there are only about 6 of us brave enough to spend a summer in Yuma. Our musters are normally joint musters with the AZ chapters, Tumbleweeds and Roadrunners. We chose this route because normally we have to travel a good distance to get somewhere so we might as well make a muster a group of 15 to 20 instead of 6 to 7. We are like a lot of other chapters in that we have activities at musters consisting potlucks, cards and other socializing, mostly we just have fun. We would love to have you come visit and sit a while with us at any of our functions and we can explain why we call our students at Yuma High School - Criminals. For more info you can email me, Jerry Leckrone, Chapter President at [leckronerv@aol.com](mailto:leckronerv@aol.com) (please put KOFA Chapter in the subject line) or give me a call at (928) 345-2403.
