

MS Magnolias Chapter:

The Magnolias are the Mississippi chapter of S*M*A*R*T, The Special Military Active/Retired Travel club. We were formed in 2004 and are thirty-seven rigs strong at this time. We have members from Mississippi, Louisiana, Alabama, Arkansas, Texas, Florida, Michigan, and full-timers. Our musters are open to all members of SMART and guests. We are in the South Central region, which includes the states of Mississippi, Louisiana, Alabama, Tennessee, and the western tip of Florida. A regional muster is held every other year. Our national musters draw members from all over the country. Our chapter musters are usually held in Mississippi, Louisiana, and Alabama. We try to pick an area where there is a diversity of attractions, such as historical sites, beaches, music, antebellum homes, and river towns that our state and the surrounding areas have to offer. Vicksburg is a favorite site of ours. Our musters include great meals, daytime activities, games, or just sitting around chatting with new and old friends. We are active mainly in the winter, spring, and fall when the weather in the South is more pleasant for camping. This also allows time in the summer for our members to travel with caravans or other forms of travel to distant places. We love to meet new members so come and join us for a good time with folks who share a military background and a love of Rving. Experience Southern hospitality at its finest. For more information contact our president, Warren Clark at (409) 796-1209 or our Vice President, Larry Sockwell at (903) 721-9272.
