

South Carolina Patriots Chapter:

The SC Patriots are a relatively new chapter in SMART and are not as large as some. We enjoy our musters by trying to have them when some activity or event is happening in the area where the muster is held. We enjoy eating out and also our pot luck dinners and fellowship among our fellow service members and spouses. We have a minimum of 5 musters a year and sometimes more and try to hold them where it is convenient for all members to attend. They are normally held over the weekend so working members can attend. We hold our muster fees down by supplementing them with our treasury. We hold auctions throughout the year as income for the treasury and various other functions. We are small but we all know each other and have a lot of fun and eat plenty. For further information call Richard Mishler at 803-279-3856 or Cell 803-221-3278 or Email smart5581@bellsouth.net
