

White Sands Chapter:

The White Sands Chapter of SMART recruits members mostly from NW Florida and Southern Alabama, but enthusiastically accepts members from any area of the country. Our home base is in Pensacola, FL near the beautiful white sands on the northern coast of the Gulf of Mexico. We meet every month (except June, July and August) holding musters and chow calls on alternate months. For our musters, we try to visit the local campgrounds within 100 mile range. However, we're not opposed to expanding our radius if the occasion warrants. Many of our members hold dual membership in the Tri State Panhandlers; thus, we arrange our musters so as to avoid conflicts and allow us to join form for their musters. For our chow calls, we meet at a local restaurant for lunch and camaraderie. At each of our musters and chow calls, we hold a business meeting to conduct the business of the chapter. Dues are nominal as set by the chapter officers, and are due annually on January 1st. It has been our custom to annually make a donation to a local military charitable organization. Our most treasured asset is our membership. We make every attempt to individually greet and get to know all new members and to make them feel welcome and at ease. We've more than happy to chare and exchange interesting tales of our experiences both in the service and in RVing. Our members come from all branches of the service and they own most every type of recreational vehicle on the market today.
