

Wisconsin SMARTs Chapter:

A chapter started in 2000 and growing slowly. Many of their 17 chapter members also belong to chapters in the South, a 2nd 'home away from home'. Members belonging to the WI chapter live in IL, WI, MN and TX. Again, being up north their musters are few and members scatter in the winter. However, when they do hold a muster - it is a great one, Great cooks, Great food, and Great entertainment. "We enjoy getting together for the small musters, and have just as much fun with larger musters". We enjoy table games, walking, 'sharing stories', fishing, and bragging about the sites of interest in our area. If you are interested in joining our chapter for the summer months, or just connecting with us during the winter months call Joyce Miller Chapter President for more information, we would like to hear from you and welcome you to our chapter.
