

### SMART Yankee Chapter:

The Yankees are a spirited group of members who are always looking for a great place to hold a muster and, no special occasion to do so. The Yankees encompass ME, NH, VT, MA, RI and CT, with a few of their 50 members traveling to FL for the winter. The Yankees are one of our more active and involved chapters, especially in programs like Toys-For Tots. They hold their musters in areas rich with military history, not to mention the scenic beauty of New England states and Fall colors. Most of their musters, like others, involve good food - great camaraderie, even better stories, lots of fun and always a helping hand. If you are from the far NE of the US, you don't want to travel far to meet good fun loving people, check out the SMART Yankees.
