CHAPLAINS CORNER

As a young boy these 10 rules were a corner stone for me to try and live a life as a member of what

1. Be neat and clean
2. Be courteous and polite
3. Always obey your parents
4. Protect the weak and help them
5. Be brave but never take chances.
6. Study hard and learn all you can.
7. Be kind to animals and care for them.
8. Eat all your food and never waste any.
9. Love God and go to Sunday school regularly.
10. Always respect our flag and our country.

I still believe this club I joined in 1944 is the wisdom that is needed in the world today. Something to think about. Send me an email if you think you know the name of the club.
