

To whom it may concern,

Hanging Rock State Park is located 30 minutes north of Winston-Salem in North Carolina. We have a volunteer opportunity for those who might be interested. Attached is a job description for our camper host program at the park. We are in need of anyone interested in the month of July. We have full electrical, water and sewer hook up for the entire month. Anyone interested or has any questions feel free to contact me.

Thanks,

Matthew Haynes
